

# SHAHENWAZ MUZAHID

## PERSONAL PROFILE

I am currently studying PLC level 5 in Cyber Security with Software Development to expand my IT knowledge. While studying, I pursued flexible part-time work with weekend and evening shift options where I deal with customers daily. Dedicated to working accurately and efficiently to achieve demanding daily targets. I am a flexible hard worker, eager to learn and contribute to team success.

I am always keen to improve all my skills through mentoring, continuous learning, and a positive work ethic. I believe I am an ideal candidate to fill the apprentice position. I have a huge interest in this industry. My career aspirations include working as a Cybersecurity Analyst or as a Cyber Security Engineer to be an expert at Digital Forensics.
